

# DETAIL A

For information on installation of the booth and components, please see our web site at www.colmetsb.com, click on "Resources" on the left side of the page, and then click on "Install Manual".

All drawings, sketches and/or specifications accompanying or attached to these quotes are the property of Col-Met Spray Booths. If the said quote(s) of Col-Met Spray Booths are not accepted the said drawings, etc. shall be returned to Col-Met Spray Booths. All digital data is issued for information only. You should use this data for reference purposes only to assist in coordinating your work and is supplementary to formally issued paper drawings. In all instances the contract issue drawings govern. It is the responsibility of the recipient to check all digital information against the contract documentation. Col-Met Spray Booths accepts no liability or responsibility for any loss or damage suffered as a result of (or in connection with) the use or misuse of the CAD data supplied for information only. Once the data is introduced into your own CAD or other system, Col-Met Spray Booths can take no responsibility for its accuracy.
